2. Briefly express what you hope to gain from participating in the Service Leadership Seminar.

The Service Leadership Seminar is a three and a half day event designed to introduce new Florida State University students to the areas of service and leadership. Students will have the opportunity to meet fellow FSU students, visit local nonprofit organizations, and learn essential leadership skills. The Service Leadership Seminar is designed so that each session builds upon the concepts of previous sessions. In order to maximize the learning experience and enjoyment of this seminar, students are required to attend all scheduled sessions.
