

November 28, 2006

Dear Student,

Florida State University is pleased to present the **6th Annual Service Leadership Seminar**, being held August 21-24, 2007. The seminar is designed to give an introduction to the importance of being a servant leader through interactive team building activities and breakout discussions. The program targets incoming freshmen who have shown a commitment to service and/or leadership through their high school involvement and enables them to continue their commitment to service and leadership while in college.

By participating in this energetic and dynamic seminar, you will be prepared to take on active leadership roles in a wide array of organizations at Florida State University and within the Tallahassee community. The success of our program, with its unique combination of service and leadership, is readily apparent. Previous participants have emerged as leaders on campus with such groups as Student Government Association, community service Outreach Projects, and various service-focused student organizations.

If you are interested in being a participant in this seminar, please complete the participant application and return it to the Center for Civic Education and Service. Your completed application, including all materials, must be postmarked by July 13, 2007. You will be notified by mid-July, in writing, regarding the status of your application.

If you have any questions concerning the seminar, please contact Carrie Tucker at the Center for Civic Education and Service at (850) 645-8825 or via email at [serviceleader@admin.fsu.edu](mailto:serviceleader@admin.fsu.edu).

Thank you for your interest, and best of luck!

With Seminole Pride,

Carrie Tucker  
Service Leadership Seminar Program Coordinator
